**Fr BERNARD RIZZONELLI** 10 April 1855 – 1 May 1926

Bernard Rizzonelli entered the Society in 1880 and came to South Africa where he spent time at St Aidan's and Graaf-Reinet, which seems to have served as a novitiate. In the absence of anything further to say about him we can view the 'Valley of Desolation' a few miles away from Graaf-Reinet and hope that it was only a geographical expression for him.
