## **Br KILIAN HEIM**

26 November 1893 – 7 June 1941

Br Heim was born in Leiman in Germany and joined the Society in 1920 in the East German province. He was at Triashill, working in leather, from 1936 to 1941 when he died.

That is all we know. The only photo connected with him directly is his grave at Triashill where he lies (first left) with Br Henry Jaschke and another brother.
