Fr ARNOLD WIDDERSHOVEN 11 December 1837 – 2 July 1889

Born in Simpelveld in Holland, Widdershoven entered the Society in 1856. He was in Great Reinnet in 1875 and St Aidan's from 1878-82. He then returned to the Netherlands where he died in Oudenboach in 1889.

No further information is immediately available about him. Fr Augustus Law's drawing of the Jesuit dining room at St Aidan's in Widdershoven's time, seems to suggest a rabbit ready for the pot?
